## Kanye 'stepped on a kitten'; Serena fined for losing it

### Kanye hijacks Swift's moment and the VMAs

Kanye, Kanye, Kanye, I don't care how big a fan you are of **Beyonce**, there is no reason to steal the thunder from **Taylor Swift**, a 19-year-old country girl who had just won a **MTV Video Music Award** for best female video. It's going to take more than an attempted apology to appease fans and celebrity peers who now know you are a jerk, rather than just think it. **Katy Perry** expressed it best (Well.. the cleanest): "It's like you stepped on a kitten." Word is, some **MTV honcho** asked Kanye to leave after his outburst. Good!

Thank you Beyonce for showing a lot of class by inviting **Taylor Swift** on stage when you won video of the year for "**Single Ladies**." I love this quote from Swift: "I was standing on the stage and I was really excited because I had just won the award, and then I was really excited because Kanye West was on the stage. And then I wasn't so excited anymore after that." Neither were we, baby girl. Neither were we.

The show wasn't all Kanye: VMA Winners also included **Lady Gaga** for best new artist; T.I. featuring **Rihanna** in "Live Your Life" for best male video; **Eminem's** "We Made You" for best hip-hop video; **Britney Spears'** "Womanizer" for best pop video. Don't forget... **Janet Jackson's** tribute to her brother:

### Serena Williams fined for tournament outburst

This just in... **Serena Williams** has a bad attitude. Serena Williams' profanity-laced, finger-pointing tirade at a U.S. Open linesperson [drew a \\$10,000 fine Sunday](#), and more punishment could follow from a broader investigation into what the head of the tournament called her "threatening manner." She did not apologize for the outburst, and she will mostly likely tell the tournament officials where they can put their fine, thank you very much. (AP)

### QUICK HITS

-- **Poet, punk rocker Jim Carroll, 60, died Friday**. -- Now for a bit of uplifting news... At age 92, **Dame Vera Lynn** has beaten the **Arctic Monkeys** and even the **Beatles** to capture the No. 1 record spot in Britain today. That makes her [the oldest living artist to have a No. 1 record](#) in Britain. Her No. 1 record is titled "We'll Meet Again - The Very Best of Vera Lynn." Industry experts don't think kids are buying the album. (Ya think?!) Still, we're curious to hear it. At least the title song, "**We'll Meet Again**":

You have to give it to public figures - musicians, actors and politicians. They give us lay people a lot of material with which to play.
